### Fimco Spot Packs

- Corrosion Resistant Polyethylene tank
- Full drain out capability with moulded in drain port, cap and tether
- Full length drain sump
- Large pickup sump
- 12.5 cm lid with tether
- Large hose wrap horns for hose storage
- Litre fluid volume indicator on tank
- Moulded wand clips
- 12 volt demand diaphragm pump with fan
- 3.8 l.p.m , 35 PSI
- 45 cm hand gun with adjustable tip
- 4.5 m chemical resistant hose
- Ready for Roundup

Part No	Model	Description
LG-15-EC	55 L Spot Pack	Fimco 55 litre 12 volt Sprayer with hand gun and fan cooled pump
LG-30-EC	110 L Spot Pack	Fimco 110 litre 12 volt Sprayer with hand gun and fan cooled pump

### Carton size/ weight

Model	Carton Dimensions cm	Weight kg
55 L Spot Pack	87 x 43 x 36	8
110 L Spot Pack	107 x 53 x 42	10.4

### Fimco Pro Packs

- Corrosion Resistant Polyethylene tank
- Full drain out capability with moulded in drain port, cap and tether
- Pressure control manifold and pressure gauge for pressure adjustment for applications such as boom spraying.
- Full length drain sump
- Large pickup sump
- 12.5 cm lid with tether
- Large hose wrap horns for hose storage
- Litre fluid volume indicator on tank
- Moulded wand clips
- 12 volt demand diaphragm pump with fan
- 8 l.p.m , 60 PSI
- 45 cm deluxe pistol grip handgun with adjustable tip.
- 4.5 m chemical resistant hose
- Ready for Roundup

Part No	Model	Description
LG-14-SM	55 L Pro Pack	Fimco 55 litre 12 volt Sprayer with deluxe hand pistol, pressure control manifold and fan cooled pump
LG-30-SM	110 L Pro Pack	Fimco 110 litre 12 volt Sprayer with deluxe hand pistol, pressure control manifold and fan cooled pump

### Carton size/ weight

Model	Carton Dimensions cm	Weight kg
55 L Spot Pack	87 x 43 x 36	8.6
110 L Spot Pack	107 x 53 x 42	11

### Fimco Lawn and Estate Sprayers

- Corrosion Resistant Polyethylene tank
- Low tank profile for stability
- Full drain out capability with moulded in drain port, cap and tether
- Full length drain sump
- Large pickup sump
- 12.5 cm lid with tether
- Large hose wrap horns for hose storage
- Litre fluid volume indicator on tank
- Moulded wand clips
- 12 volt demand diaphragm pump with fan
- 8 l.p.m , 60 PSI
- 45 cm hand gun with adjustable tip on 55 and 110 litre units
- Deluxe Pistol on 150 litre unit
- 2 metre boom on 55 and 110 litre units
- 2.5 metre boom with spring breakaways on 150 litre units
- 4.5 m chemical resistant hose
- Ready for Roundup

Part No	Model	Description
55LT	55 L Lawn trailer	Fimco 55 litre trailed sprayer c/w 2m boom and hand gun
110LT	110 L Lawn trailer	Fimco 110 litre trailed sprayer c/w 2m boom and hand gun
150LT	150 L Lawn trailer	Fimco 150 litre trailed sprayer c/w 2.5m boom & deluxe pistol

#### Carton size/ weight

Model	Carton Dimensions cm	Weight kg
55 L Lawn Trailer	124 x 55 x 50	25
110 L Lawn Trailer	124 x 55 x 50	28
150 L Lawn Trailer	120 x 77 x 96	92

Max recommended speed 10 KMH  
Units shipped in cartons some small assembly required

# PUMPS & SPRAYS

### Fimco 225 litre Large Estate Sprayer

- Corrosion Resistant Polyethylene tank
- Low tank profile for stability
- Full drain out capability with moulded in drain port, cap and tether
- Full length drain sump
- Large pickup sump
- 12.5 cm lid with tether
- Large hose wrap horns for hose storage
- Litre fluid volume indicator on tank
- Moulded wand clips
- 12 volt demand diaphragm pump with fan
- 14 l.p.m , 45 PSI
- 45 cm deluxe pistol grip hand gun with adjustable tip
- 3.5 metre boom with breakaways
- 4.5 m chemical resistant hose

Part No	Model	Description
225ET	225 L Trailer	Fimco 225 litre trailed sprayer c/w deluxe pistol and fan cooled pump

#### Carton size/ weight

Model	Carton Dimensions cm	Weight kg
225 Litre Estate Trailer	186 x 89 x 76	133

Max recommended speed 10 KMH  
Units shipped in cartons some small assembly required

The logo for PUMPS &amp; SPRAYS features a stylized black and white graphic of a pump or spray nozzle on the left, followed by the words "PUMPS &amp; SPRAYS" in a large, bold, black sans-serif font.

**Dry Material Spreader**

- 60 litre poly hopper (approx 1 bag urea)
- Variable speed control allows variation of spreading width
- Stainless steel radial blade spinner
- Material Agitator
- 12 volt operation
- Spreading width from 2–14 metres
- Spreading rates (urea) 6 kg-174 kg /ha @ 10 kmh (3 kg-87 kg/ha @ 20kmh)
- Comes with mounting bracket

Part No	Model	Description
FM5301845	ATV Spreader	60 litre ATV Spreader

**Booms**

- All booms come with boom mounts

Part No	Model	Description
5300954	BK1	2 nozzle boom with 2 metre coverage (suit 55LT & 110LT)
5300955	BK5	5 nozzle boom with 2.5 m coverage and spring breakaways (suit 150LT)
5301688	ATVBK	3 nozzle boomless jet kit with mounts. Spray width up to 9 metres with individual nozzle shut off (requires 18 l.p.m pump)

**12 volt Pumps**

- Demand Pumps with pressure switch
- Diaphragm pump design eliminates shaft seal and can be run dry
- Excellent self priming capability
- Viton valves and santoprene diaphragms are standard
- Max temp of pumped liquid is 45 C

Part No	Model	Description	Max Amps
5275086	3.8 L.P.M	Pump 12v fan cooled 35 PSI pressure switch (5275496)	4
5275087	8 L.P.M	Pump 12v fan cooled 60 PSI pressure switch (5275497)	8
5275088	14 L.P.M	Pump 12v fan cooled 45 PSI pressure switch (5275498)	11

**Battery Lead with Switch**

- 3 metre with alligator clips
- Inline switch
- Connector suit Fimco/Flojet

Part No	Description
5274443	Battery Lead c/w Switch

**Accessories/ Replacement Parts**

**Hand Guns and Lances**

- Lance 3/8 hose feed with adjustable nozzle
- Deluxe handgun 3/8 hose feed with pistol grip
- 45 cm extension
- Adjustable nozzle

Part No	Model	Description
5163100	Trigger Lance	Lance max pressure 100 PSI
5273959	Pistol Handgun	Handgun Max pressure 300 PSI Max Flow 19 L.P.M

# SCHABEN

## INDUSTRIES

### 12 volt Sprayers

#### 55 litre

- 55 litre UV stabilised tank
- 6.8 litre SHURflo pump 60 PSI (4 bar) with pressure switch
- 12 volt wiring loom with alligator clips
- Pro quality spray gun with adjustable tip
- Drain plug with cap for easy rinsing
- Made in the USA

Box size 82 x 39 x 39

Pump by

**SHURflo**

#### 95 litre

- 95 litre UV stabilised tank
- 6.8 litre SHURflo pump 60 PSI (4 bar) with pressure switch
- 12 volt wiring loom with alligator clips
- Pro quality spray gun with adjustable tip
- Drain plug with cap for easy rinsing
- Made in the USA

Box size 82 x 39 x 52

Pump by

**SHURflo**

#### 200 litre

- 200 litre UV stabilised tank
- 11.3 litre SHURflo pump 45 PSI (3 bar) with pressure switch
- 12 volt wiring loom with alligator clips
- Professional Quality TeeJet spray gun with adjustable tip
- Drain plug with cap for easy rinsing
- Pressure control with gauge
- Bypass agitation
- Suitable for spot spraying and small booms
- Made in the USA

Box size 93 x 71 x 57

Pump by

**SHURflo**
